

## Directions to the M&S Company Archive, Michael Marks Building

University of Leeds, Western Campus, off Clarendon Road, Leeds LS2 9LP

T: 0208 718 2800

### To reach us from Leeds City Centre

#### On Foot

We are a 5-10 minute walk through the University of Leeds campus from the Parkinson Building on Woodhouse Lane. With your back to the Parkinson Building steps, turn right and right again under the archway. Walk straight up University Road, passing the Great Hall on your right. When you reach the crossroads with Clarendon Road, turn left and cross the road at the traffic lights. The Western Campus will be in front of you. Walk between the University of Leeds Business School and the Leeds Innovation Centre and you will see the Michael Marks Building ahead of you.

#### By Train

The nearest Railway Station is Leeds (30 minutes on foot, 5 minutes by taxi)

#### By Bus

Route 56 from stop G6 on Eastgate goes to the University of Leeds Business School on the Western Campus, just two minutes walk from the Michael Marks Building. You can also get on the 56 bus at stop J1 on Albion Street outside The Light shopping centre.

#### By Car

We have parking spaces for Disabled Blue Badge holders. Please let us know if you would like to use one of these spaces. I'm afraid that we cannot offer parking for visitors unless they hold a Blue Badge.

**Free weekend parking** is available for our visitors on the Western Campus. The entrance is off Clarendon Road, just press the buzzer at the barrier and say you have come to visit the M&S Company Archive. There are also several 4-hour limited parking spaces close to the Michael Marks Building.

Once you reach the Western Campus, walk towards the central grassed area and you will see the Michael Marks Building directly opposite the University of Leeds Business School.
