

## Holy Name Catholic Voluntary Academy, Leeds

### About Us

We are a small primary school in Cookridge, Leeds that opened in 1989. Our school motto is: Loving, Learning, Living, Laughing, Together in Faith.

We work closely with the children's families and parishioners to ensure that the children achieve their full potential spiritually, academically, morally, physically, emotionally, behaviourally and creatively.

Our fantastically creative Year 6 class of 29 children worked together to create our exhibition.
